COUNCIL CHAMBERS--CITY COUNCIL  
CITY HALL--CITY OF LODI

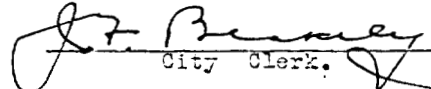

September 12, 1932

Pursuant to its adjournment taken from the regular meeting of September 6th., 1932, the City Council of the City of Lodi met in adjourned regular session at 8 o'clock P.M. on the date first above written, Councilmen Clark, Keagle, Spooner, Weihe and Steele present, none absent.

The Clerk reported that Superintendent of Public Utilities Mr John A. Henning had found that the foundations of the former City Hall building were attacked by termites and that City Service Company had estimated that the damage could be repaired and the structure rendered termite-proof for the sum of \$59.25. On motion of Councilman Spooner, Keagle second, Mr Henning was authorized to have this work done at once.

After some discussion as to the advisability and necessity of the employment of a publicity agent at the impending trial of the City's case against East Bay Municipal Utility District and Pacific Gas & Electric Company, the matter was left in the hands of Councilmen Spooner and Keagle for such action as might be required.

At the order of the Mayor, the City Council adjourned to and until 8 o'clock P.M. of Friday, September 16, 1932.

  
City Clerk.
